The background of the page is a light cream color with a subtle pattern of small dots. It features several hand-drawn illustrations of road safety elements: a road with four zebra crossings, a white convertible car, a bicycle, a kick scooter, a bus, a stop sign, a speed limit sign with the number 30, and two helmets. The central logo is a black rectangle with the word 'siiicuro' in white lowercase letters, where the four 'i's are replaced by yellow vertical bars of varying heights.
